

Recruitment Breakfast 2012

Give More. Get More!

Getting more involved in your Central Ohio Chapter of Credit Unions is a great way to maximize your investment in the Ohio Credit Union League. Whether it is serving on the Chapter Board, or participating in one of our important committees, volunteer involvement is a great way to give back to the local credit union movement.

Now is your perfect opportunity to get involved! The Central Ohio Chapter will be hosting a Recruitment Breakfast for all those who are interested in learning more about being a director on the board or serving on one of our three important committees:

- **Marketing & PR** - develops and executes shared marketing efforts and maximizes press for Central Ohio credit unions.
- **Education & Outreach** - coordinates community outreach efforts for credit union employees and volunteers to give back to the communities throughout Central Ohio.
- **Programming** - plans and organizes educational and extra-curricular events for credit union employees, volunteers and business partners.

If you are interested in learning more about one or more of these initiatives, we invite you to join us for our first annual recruitment breakfast!
